***A Letter From The
Administrator***

Dear Residents and Families,

I am very pleased to announce that I have been offered the opportunity to remain here at Sycamore Glen on a permanent basis. I am proud to be able to serve everyone in this capacity and will strive daily to improve the quality of our services. I have enjoyed meeting so many family members already during our Care Coordination meetings in the Plaza and during other events. I look forward to continuing to build relationships with residents and families. Please do not hesitate to contact me if you have a question or a concern – if you can't catch me in person, the front desk receptionist staff know how to track me down. I am truly honored to be part of our family here at Sycamore Glen.

*Sincerely,
Michele Brooke*
